

Margaret Conroy Hosts Legislative Updates for 2011

State Librarian Margaret Conroy will host Legislative update videoconferences the fourth Thurs. of January-April. Catch up on our legislature's continuing activity to stay current on topics of import to the library community. In addition to participating by interactive videoconference, streaming video via your computer (without the interactive component) is provided as an alternate option.

To view the stream you need a software program like Windows Media Player or REALPlayer. To check if your computer is capable of viewing the stream, go to <http://www.more.net/content/streamed-events> and click on the link "Test Stream: Morenet Event Examples". Wait for the event to download. When you can view this recording, you're ready for the Legislative Update via steaming video at this link: <http://stream1.streaming.more.net/MSL>. If you have problems seeing or hearing the recording please contact MOREnet Technical Support for assistance at 1-800-509-6673.

If you are watching streaming video and have a question or comment, send it to mostlib@sos.mo.gov.

The scheduled 1 to 2:30 p.m. interactive videoconference sessions are available at the following sites:
